Mortgages & secured lending: Your home may be repossessed if you do not keep up repayments on your mortgage or any other debt secured on it. Think carefully before securing other debts against your home.

Investments & pensions: The value of investments and the income from them can fall as well as rise and you may get back less than you originally invested. Past performance is not a reliable indicator of future results. Pension and investment products are long-term commitments. Tax treatment depends on individual circumstances and may be subject

to change.
